

Bald Hills Road Interchange

Design and Construction of a new South Eastern Freeway Interchange at Bald Hills Road and a new intersection at the corner of Bald Hills Road and Old Princes Highway

Client	Department of Planning, Transport and Infrastructure (DPTI)
Location	Mount Barker (3.7km to the East of the existing Mount Barker Interchange)
Contract Value	\$13 Million
Completion Date	Forecast June 2016

Project Description

- A four ramp interchange with new roundabouts connecting the South Eastern Freeway on and off ramps to Bald Hills Road with service road provisions for Little Dublin Road (east and west)
- A new roundabout and approaches connecting the old Princes Highway and Bald Hills Road with a provision for residential access
- Roadworks including; widening of existing road, lowering of existing pavement and provision for cyclists
- Stormwater infrastructure
- Lighting infrastructure including provision for future ITS Infrastructure
- Incorporation of environmental considerations in design and throughout construction.
