

Barossa Trunk Main Blakeview

1.5km of 800mm Underground Water Trunk Main

Client	United Water
Location	Blakeview
Contract Value	\$3 million
Completion Date	September 2009

Project Description

- Placement of 1.5km of 800mm water trunk main underground as part of the Blakeview regional development.
- Securing of the main with the installation of anchor and thrust blocks.
- Removal of existing water main whilst still allowing water to be provided to the 50,000 customers.
- Working in close liaison with client to overcome issues with design and modifications.
