

# Munno Para Railway Station

## *Design and Construction*

**Client** Department for Planning, Transport & Infrastructure

**Location** Munno Para

**Contract Value** \$8.89 million

**Completion Date** April 2012

### **Project Description**

- Design and construction of the upgrade to the existing Munno Para Railway Station.
- Significant project management with various multi-disciplinary subcontracted works undertaken.
- Construction undertaken during a restricted period of rail closure requiring integration of activities with unrelated works being undertaken within the rail corridor.
- Interface and integration with subdivision works being undertaken for the "Playford Alive" urban development project on an immediately adjacent site.
