

Water Proofing the West Stage 1

Old Port Road Wetlands

Client

City of Charles Sturt

Location

Old Port Road, Royal Park, SA 5014

Contract Value

\$14 million

Completion Date

April 2014

Project Description

The vision for Water Proofing the West Stage 1 is to create a region wide system to harvest, treat and store stormwater in specific locations and then distribute non-potable water throughout the Western Adelaide Region.

The Old Port Road Civil Works include;

- Installation of a RCP Express Drain (1950ID—1800ID).
- Construction of 3 Wetland and 4 Sedimentation basins.
- New stormwater Inlet and Outlet structures and infrastructure under Tapleys Hill Road.
- Construction of vehicle turning lanes.
- Construction of vehicle and pedestrian bridges and foot-paths.
- Installation of drainage infrastructure on side roads.
- Re-construction of the intersection of Tapleys Hill Road and Old Port Road.
