

Mount Osmond Interchange

2.5km of underground drainage

Client Department for Planning, Transport & Infrastructure

Location Mount Osmond

Contract Value \$6.7 million

Completion Date November 1999

Project Description

- Self performed all earthworks, pavements, concrete works in addition to project and construction management.
- 2.5km of underground drainage and extensive landscaping works.
- Installation of a 43m single span tensioned concrete bridge.
- Construction undertaken in two halves to minimise the disruption to traffic on the major highway.
- Close liaison and coordination with separate contractor required.
